10. Bute	\$10.00
11. Coggins	\$15.00
12. Set-up fee (see below):	\$25.00

Show Expense Explanation:

Prior to trainers and horses leaving for shows, owners/riders must provide a bucket for water. If SWS has to purchase a bucket for your horse, you will be billed accordingly.

1. Entries completed and called in or emailed to show management by SWS personnel per show
2. Wrapping of horses legs for protection during transport
3. Set-up Fee: Unloading of horses, haynet set-up, water buckets filled
4. Pro-rate food for SWS employees: \$35.00 x number of employees divided by number of owners/riders
5. It would be appreciated if you tip the men for their help at the show. If they must take horses to the show facility the night before, they are working overtime. The morning of the show, they arise very early in the morning to load buckets, hay & haynets, and horses onto the trailers. Time at the end of the show is spent transporting the horses back and getting them unloaded and safely in their stalls. Due to the large volume of horses SWS takes to shows, multiple trips are sometimes necessary.

Entry Deposit:

A \$250.00 deposit is required from each entrant upon sign-up. This deposit is refundable only with 10 days' notice. A cancellation with less than 10 days' notice, will result in a forfeit of that deposit.

Cancellation Terms:

Less than three days prior to a CENTEX show will result in paying in full the prorated expenses. There will be a late fee of \$25.00 assessed if signing up for a CENTEX show occurs less than three days before event.
